Carla Belski – Community Services Coordinator  
Karin Hilding - Public Works Engineer  
Craig Workman – Public Works Director

CC: Bruce Boody, Greg Gunderson, Karen Nicoletti, Whitefish Legacy Partners, Ron Brunk, Jennie Bradford, Patty Zanto

Future Project List – We did not include cost estimates since those included in the Connect Whitefish Plan are very low. Those estimates need to be updated. The projects listed below would be 10 feet wide shared use paths.

- **Whitefish River Trail - Snowy Mountain** (formerly Dalen Property) – Dedicated as parkland in 2022. What is blocking progress? Funding and adjacent to Les Schwab section. Construction of the Snowy Mountain subdivision will start this spring or summer.
- **Whitefish River Trail - Les Schwab** – What is blocking progress? No progress on easement. No one has reached out to Les Schwab in a few years.
- **Whitefish River Trail - Goguen Property** (Old Hospital) – Michael and his consultants are in planning process for the property. They are supportive of the path. They agreed to have it signed to encourage use of the informal trail. Length = 1,561 ft
- **Whitefish River Trail – Walgreens & Duck Inn** – Length in Connect WF plan (858 + 474 = 1,332 ft) What is blocking progress? The Duck Inn property is for sale. We were close to an easement agreement with the current owners. The path would be located very close to their building.
- **Lamb Lane to City Shop** – Overall path planning is required for this area. It was not included in the Connect Whitefish plan since it is outside city limits. There are subdivisions with trails being proposed in this area.
