## Principles for Civil Dialogue

- We provide a safe environment where individual perspectives are respected, heard, and acknowledged.
- We are responsible for respectful and courteous dialogue and participation.
- We respect diverse opinions as a means to find solutions based on common ground.
- We encourage and value broad community participation.
- We encourage creative approaches to engage public participation.
- We value informed decision-making and take personal responsibility to educate and be educated.
- We believe that respectful public dialogue fosters healthy community relationships, understanding, and problem-solving.
- We acknowledge, consider, and respect the natural tensions created by collaboration, change, and transition.
- We follow the rules and guidelines established for each meeting.
