MIX-USE AND NON-RESIDENTIAL DEVELOPMENT STANDARDS

Review the criteria below and discuss how the proposal conforms to the criteria. If the proposal does not conform to the standards, describe why and how this design will better implement the **mixed-use and non-residential development standards** ([link to §11-3-43](#)):

1. How does the project further the purpose and intent of the multi-family development standards?
2. How does the project integrate the requirements of the orientation and multiple building standards?
3. How does the project preserve the topography of the site?
4. How does the project incorporate thoughtfully designed landscaping into the site?
