Dear Special Event Organizer:

The City of Whitefish is pleased to support various Special Events with appropriate donations of City resources. The numbers of special events and requests for support have grown in recent years, compelling us to issue this notice of limitations for legal liability and allocation of materials, equipment, and staff.

All parties are hereby informed that regardless of the City's willingness to provide supporting services, the City itself is not a sponsor and the City does not accept any liability associated with any event unless such sponsorship and acceptance of liability are specifically declared through direct action by the Whitefish City Council.

All parties are likewise informed that although the City agrees in good faith to provide timely services in support of certain special events, unforeseen emergencies or necessities exert a primary claim on any and all City resources at any time. In the event of an emergency or mission critical demand, City staff, equipment, or other resources may be withdrawn immediately and dispatched to other locations for an indefinite period of time.

The City will make every effort to avoid such an interruption. However, the Special Event Organizer(s) must recognize this potential and make advance arrangements for back-up services to ensure their event's success if City resources must be reassigned.

Please feel free to contact the City Clerk at 863-2400 during regular business hours or Police Dispatch after hours at 863-2420 if you have any questions.

This is to acknowledge I have read and understood the preceding statement of limitations for legal liability and allocation of City resources for special events.

Re: City of Whitefish Resort Tax Requirements

In November, 1995, the voters in Whitefish enacted a limited sales tax on luxury items called a Resort Tax. On April 28, 2015, the electorate also voted to increase the Resort Tax. The Resort Tax is now a 3% sales tax on all luxuries as defined in the Resort Tax Ordinance. After July 1, 2015, all vendors and merchants, including temporary vendors and vendors at special events, who sell such defined luxury items need to remit a 3% tax to the City of Whitefish.

Most vendors add the tax as a separate charge, however some incorporate the 3% tax into their pricing of the item. How you incorporate the tax into your pricing structure is up to you, but the imposition of the tax is on the end purchaser; the vendor is just an agent of the City for collection of the 3% Resort Tax from the end purchaser.

On the back of this sheet is a list of goods and services which are subject to the 3% Resort Tax and items which are exempted or not subject to the 3% Resort Tax. While this table is a guide for compliance, it is not a complete list and if you sell items for which you are unsure as to its tax effect, please call me at 406-863-2406 or send me an email asking for an interpretation. We can provide you filing forms for submitting the Resort Tax Remittance or you can download a form from our website at <http://www.cityofwhitefish.org/city-hall/resort-tax.php>. If you are a regular vendor who files monthly Resort Tax forms, you may just include your special event revenues and taxes in your monthly filing. Filing forms and tax payments are due by the 20th of the month following the special event.

Thank you for complying with the City of Whitefish's Resort Tax. The funds are used for road improvements, park and trail improvements, preservation of our watershed, and property tax relief. Many of the amenities that you and your customers use at or to get to the special event may be paid for in part by the Resort Tax. Compliance without Resort Tax code will ensure that you will be able to continue vending at special events in Whitefish in the future.

Sincerely,

City Manager
